NEXT GENERAL MEETING

Wednesday June 17th

WHERE

CLEMENTINE

5402 Harford Road, Baltimore 21214

Join your neighbors from **6:00 - 8:00 pm** for our Spring Social Meeting, the first of our new quarterly social meetings. Catch up on local news and get answers from your elected officials. **Clementine** is offering $12 entrees and 25% off all Beer and Appetizers. (Mac&Cheese excluded)

GUESTS & AGENDA

**Mayor
Rawlings-Blake**

**Delegate
Cory McCray**

**Delegate
Maggie McIntosh**

Mayor Rawlings-Blake may address the crowd on the recent challenges faced by our city or how residents can help move the city forward. Delegates' McIntosh and McCray may as well. However, we're keeping the agenda short.

Additional guests Vince Pompa, HARBEL's Mike Hillard, and our NE Police liaison will be in the crowd and can answer questions about city water and crime statistics if you ask and HHNA President Gavin Schmitt will have his clipboard of local news and a list of ways you can volunteer and help out.

Why a Social? The single most powerful way we can strengthen our community is to know our neighbors, which can be challenging at the general meeting. Clementine gives us a lighter atmosphere, a simpler agenda, and a play space where neighborhood parents can be comfortable parking their children.

What's happening to General Meetings? We will continue to host the agenda-focused meetings residents know and love at Faith Community Methodist church on a quarterly basis. We may host 4 additional meetings at a second location too, if scheduling works out.
