Come out and join us at the *Hamilton Elementary-Middle School library*, our new general membership meeting space! This month's agenda is all about Bylaws, Block Captains, Road Work, and settling into the fall holiday season.

By request, the meeting will begin with a vote to determine whether membership is the exclusive right of Households (one vote per property) or Individuals (one vote per paying member), which has caused confusion in the past. Additionally, "Community," "Community Member" and other terms used in Article VII S2 of the Bylaws will be clarified in a new terms section, which can be reviewed at the meeting or by contacting [PresidentHHNA@gmail.com](mailto:PresidentHHNA@gmail.com)

This month's guests include BCFD Captain Hugh Jenkins from Engine 42, BCPD Officer Jones from the neighborhood services unit, The States Attorney's North East Liaison Kinji Scott, and 3rd District's Youth Commissioner Sakiera Malone.

Have an announcement for our community? Have someone you really want to invite to speak at our meetings? Come on by and let us know.
